

# Jesus changes people.

Mark continues to write about Jesus. This month we will study Mark chapter 5 and learn about 3 people who met Jesus and had their lives changed by him.

Open your Bible and read about them one at a time.

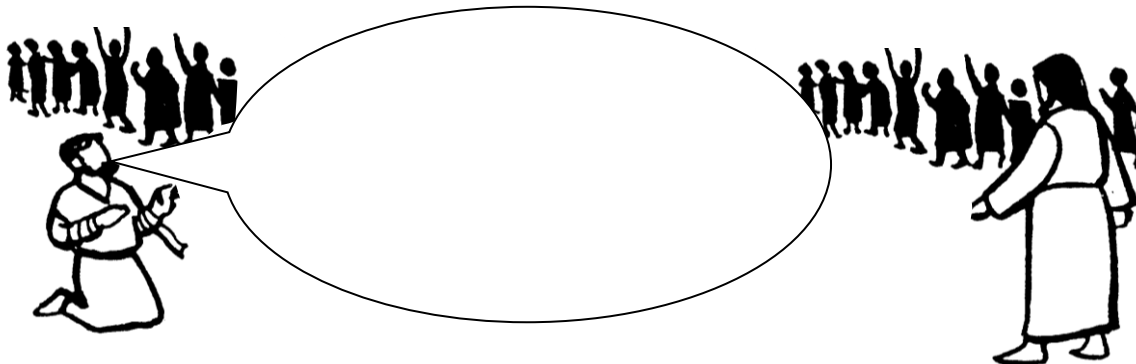

1. In Mark chapter 5 verses 4 to 15 there was a man with an evil spirit.  
What was he like before he met Jesus?  
What was he like afterwards?  
Read the verses then draw or describe the man in these boxes.

BEFORE	AFTER
Mark chapter 5 verses 4 and 5	Mark chapter 5 verse 15

2. Next we read verses 25 to 34 about a woman who had been constantly ill. Circle the correct answers.

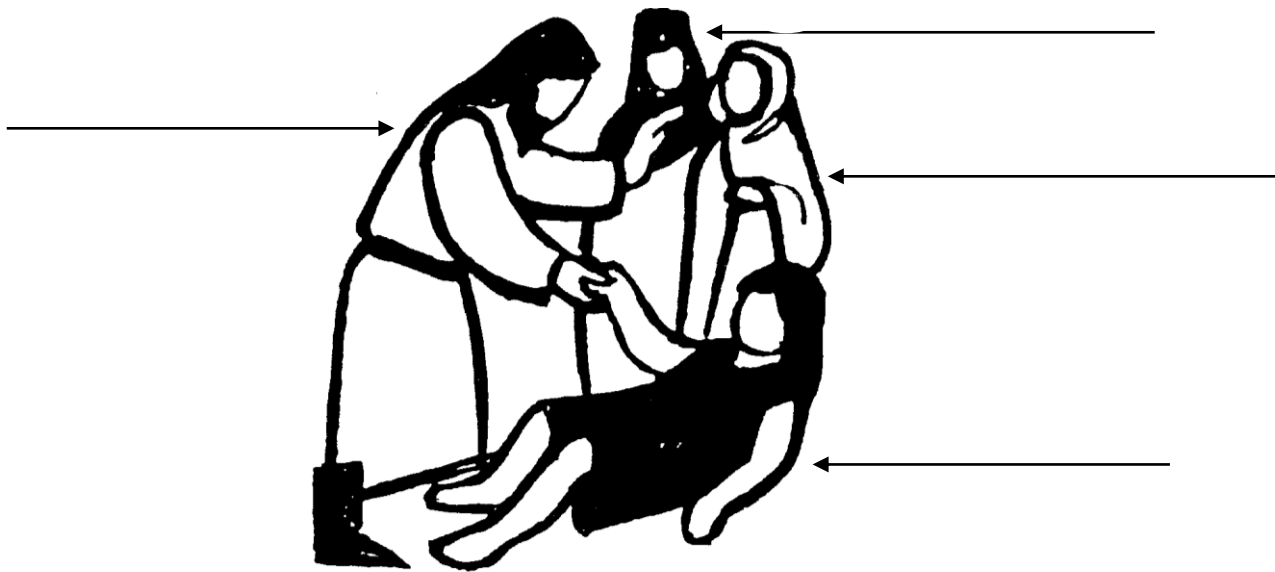

- How long had she been ill 2years? 12 years? 20 years?
- She heard about Jesus and believed she'd be healed if she just spoke to Him? followed Him? touched Him?
- Jesus felt her action and said go away I'm busy? who touched Me? wait a minute?
- Jesus made her well because of her faith? He felt sorry for her? she pestered Him?

3. Now go back to verse 21 and read to verse 24. Write what Jairus is asking.

Over the page to finish this story .....

Read more about Jairus and his very sick daughter in Mark chapter 5 verses 35 to 43. Label all the people in this picture.

Jesus can change our lives also when we ask Him to forgive our sin and take control of our life. Have you ever asked Him to do this?
